

# Redcliffe Foodbank Faithspace -Needs Volunteers!

*As Covid lockdown measures relax, we are changing from emergency deliveries only to being a place our guests can come in and collect their foodbank parcels.*

*We will be welcoming our guests in, to provide food parcels, to chat, offer advice and signposting and to offer refreshments (as soon as we are able!) offering the much needed hospitality and help to our guests, that is so important to us.*

If you think you could volunteer to help with some, or all of the above on Wednesday lunchtimes and can offer some time between 12 and 2pm, we will be looking for the following,

Could you offer:

Welcome at the door: hospitality and a friendly face?

to stock up and pack up parcels?

to chat with and befriend our guests, helping signpost them to other services?

Setting up and clearing away

Full training and ongoing support provided

Please contact Sarah James at Faithspace, for further details.
